"The Aim of the Scout Association is to encourage the physical, mental and spiritual development of young people so that they may take a constructive place in society"

Brief History

Our Scout Group was formed by amalgamating the existing 29th & 7th Groups. Both groups have been serving children in the Chantry and Pinewood areas for many years.

We have a wide and varied set of activities across the Sections of our Group and are always looking for more helpers to assist us.

Please call our Group Scout Leader if you would like to help. Jane Primmer 07771 656 94
